# Requirements for the 2022 Breeding Season

Bábolna Nemzeti Ménesbirtok charge 10 EUR + VAT boarding fee per mare per day in the breeding season. The owner has to pay the costs of the necessary vaccines and medicines.

Only horses with the followings can enter the stud:

- **passport with all vaccinations and bloodtest results**
- **EHV-1, EHV-4 vaccination:** basic vaccination (1st vaccine, then in 21-92 days 2nd vaccine), then every 6 months
- **Equine flu:** basic vaccination (1st vaccine, then in 21-92 days 2nd vaccine), then every year
- **Tetanus vaccination in the last year**
- **negativ bloodtest in the last year for EIAV and Malleus**
- regularly dewormed

The covering fee is due on the 1st of October when the mare is in foal.

VAT is 27% without EU tax number within the EU.

All fees and prices are valid from the 1st of January 2022 until withdrawal.
